Engineering Science & Applied Mathematics

Faculty Position in Complex Systems

The Department of Engineering Sciences and Applied Mathematics at Northwestern University (http://www.esam.northwestern.edu) invites applications for a full-time, tenure-track faculty position to begin in September 2014.

Requirements include a Ph.D. and demonstrated ability to conduct high-impact interdisciplinary research in applied mathematics. We are seeking candidates who can enhance the breadth of research activities of the department. An area of particular interest is complexity in natural, human and engineered systems. Duties involve teaching and research. Rank and salary are negotiable.

Questions may be sent to esam@northwestern.edu (Subject line: 2014 Faculty Search).

Review of applications will begin November 15, 2013, and continue until the position is filled.

Northwestern University is an Affirmative Action/Equal Opportunity employer. Women and minorities are encouraged to apply. Hiring is contingent upon eligibility to work in the United States. It is the policy of Northwestern University not to discriminate against any individual on the basis of race, color, religion national origin, sex, sexual orientation, marital status, age, disability, citizenship, veteran status or other protected group status.
